

Thank you for your interest in the internship program with Creekside Collaborative Therapy!

Creekside Collaborative Therapy is a network of licensed independent contractor clinicians and unlicensed supervised masters level therapists in private practice. We share a common vision of providing quality multidisciplinary mental health services that are trauma-informed and based on interventions that have been proven to be effective. Our clinicians have long-standing connections to the community and believe in the power of partnership and collaboration.

We invite you to apply for an unpaid clinical internship where you can take your academic knowledge and apply to a real life experience in a private practice setting.

Location: You will have the option of offering telehealth or in-person appointments at our Centennial, CO office.

Supervision: One-hour weekly supervision provided with Meghan Epstein, LPC. You will also participate in monthly group supervision and biweekly team meetings.

Hours: Creekside Collaborative offers flexible hours; availability will be discussed during the interview process.

Internship requirements:

- Currently enrolled in a Master's program
- Commitment of 20 hours per week; you will build up your caseload to 10 clinical hours per week
- Proof of liability insurance from your school; you will also be covered by Creekside's liability insurance
- Minimum of 9 month commitment
- One hour individual supervision per week
- Completion of all clinical paperwork in a timely manner
- Ability to schedule clients at least one evening (4-7pm) per week
- Ability to work independently
- Professional and compassionate attitude
- Background check

Internship Benefits:

- Opportunity to work with clients of various ages and presenting issues
- Be part of a multidisciplinary team of therapists, prescribers, and other interns
- Flexible schedule
- Training opportunities in trauma-informed interventions
- Gain experience in a private practice setting working with individuals, groups, and families
- Possibility of offer of employment after graduation

All internship offers will be contingent on a clear background check and a proof of full COVID-19 vaccination

Approved Internship Site for the following universities:

- University of Colorado - Colorado Springs
- University of Denver
- Colorado Christian University
- Adams State University
- University of Northern Colorado

If your school isn't on the above list, please reach out and we can discuss next steps!

If you are interested or would like more information, please email Meghan Epstein, LPC.
